

Applying for Medicine or Dentistry?

The University Clinical Aptitude Test is an admissions test, used by a consortium of medical and dental schools to help select applicants to their degree programmes. The test is used alongside other selection criteria.

The UCAT is a computer based test sat in Pearson test centres.

For everything you need to know about the UCAT, free preparation resources and past candidate advice:

[ucat.ac.uk](https://www.ucat.ac.uk)

You will need to sit the UCAT in 2026 for entry to medical and dental schools in 2027
